Call for Papers

Editor-in Chief :

Prof. Mohammed Subbarinni,

Yarmouk University President Excellence,

Yarmouk University,

Irbid 21163,

Jordan

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **Advances in Applied Mathematical Biosciences (AAMB)**, which publishes original research papers from all areas focusing on new developments in the fields of mathematical biosciences and its applications in sciences. All submissions should be made Electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The Advances in Applied Mathematical Biosciences (AAMB) is an international research journal, Areas and subareas of interest include (but are not limited to) general mathematical methods and their applications in biology, medical and biomedical sciences and engineering with an emphasis on work related to mathematical modeling, nonlinear, and stochastic dynamics.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**AAMB**) in subject line.

Author benefits:

The benefits of publishing in **Advances in Applied Mathematical Biosciences (AAMB)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Prof. Mohammed Subbarinni, Editor-in-chief
