Call for Papers

Editor-in-Chief
Dr Kong Fah Tee,
Civil Engineering Department,
University of Greenwich, Central
Avenue, Hatham Maritime, ME4
4TB, Kent, United Kingdom

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Advanced Civil Engineering Research (IJACER)**, which aims to publish all the latest and outstanding research articles, reviews and letters in all areas of CORE Civil Engineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

International Journal of Advanced Civil Engineering Research (IJACER) is an International Open Access Journal. The Journal encompasses all areas and aspects of civil engineering including a major portion on Environmental Civil Engineering and Waste Management. Current emphasis is on the engineering relevance basis for common, complex and studied by experimental perturbation in civil-engineering. Each issue contains a series of timely, in-depth written articles by leaders in the field, covering a wide range of the integration of multidimensional challenges of civil engineering including integration issues of structural developments, urban sprawl, traffic congestion, housing shortage, environmental pollution, land speculation, sustainable development and Geographic Information Systems, scientific understanding of the impacts that intelligent transportation systems can have on accessibility, congestion, pollution, safety, security, noise, and energy. It shall also encompass environmental engineering, hydrotechnical engineering, earthquakes, water resources, hydraulic and hydraulic structures, construction management and Materials.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJACER**) in subject line.

Author benefits: The benefits of publishing in **International Journal of Advanced Civil Engineering Research (IJACER)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Dr Kong Fah Tee, Editor-in-chief
International Journal of Advanced Civil Engineering Research
