United Kingdom

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Civil Engineering Mechanics (IJCEM)**, which aims to publish all the latest and outstanding research articles, reviews and letters in all areas of Civil Engineering and Mechanical Engineering. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

International Journal of Civil Engineering Mechanics (IJCEM) is an International Open Access Journal. The Journal (IJCEM) publishes top-level work on Civil Engineering and Mechanical Engineering. It contains articles on structure engineering, geotechnics, construction engineering, engineering mechanics, and engineering Materials, and a history of civil engineering, environmental engineering, hydrotechnical engineering, earthquakes, water resources, hydraulic and hydraulic structures, construction management and Materials.

Contributors include researchers and practitioners in industry, government, and academe. IJCEM is an international research journal, devoted to original and interdisciplinary, peer-reviewed papers on theoretical and research related to civil engineering and mechanical engineering with similar emphasis on all topics.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJCEM**) in subject line.

Author benefits: The benefits of publishing in **International Journal of Civil Engineering Mechanics (IJCEM)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Kazem Shakeri, Editor-in-chief
International Journal of Civil Engineering Mechanics (IJCEM)
