Call for Papers

Editor-in-Chief

Khaled Alhussan,

Deputy Director of Space Research Institute

King Abdulaziz City for Science and Technology

KSA

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Fluid Engineering (IJFE)**, which offers prompt publication of articles covering theoretical, computational and experimental investigations of all aspects of the mechanics of fluids. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Fluid Engineering (IJFE) is an international journal, Each issue of this journal contains papers on both the fundamental aspects of fluid mechanics, and their applications to other fields such as aeronautics, astrophysics, physiology, chemical and mechanical engineering, hydraulics, meteorology, oceanography, geology, acoustics and combustion..

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJFE**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Fluid Engineering (IJFE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Khaled Alhussan, Editor-in-Chief

International Journal of Fluid Engineering
