Call for Papers

Editor-in-chief:

Mr. Mahmoud M. Saker,
Director of CEAS,
National Research Center,
El Behouth St., Dokki, Cairo,
Egypt

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Genetic Engineering and Biotechnology (IJGEB)**, which publishes all the latest and outstanding research articles, reviews and letters in all areas of major importance to Techniques of Genetic Engineering and applied research. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Genetic Engineering and Biotechnology (IJGEB) is an international journal. The journal also accepts submissions on all aspects of Genetic Engineering, Gene manipulations, microbiology starting from fundamental levels to advanced aspects in bacteriology, mycology and virology. Manuscripts which address applications genetic engineering and Biotechnology on microorganisms in large scale industrial and environmental processes as well as those covering the indicators of global climate changes shall be included. Research on other topics, such as microbial enzymes and more..

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJGEB**) in subject line.

Author benefits: The benefits of publishing in **International Journal of Genetic Engg. & Biotechnology (IJGEB)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Mr. Mahmoud M. Saker, Editor-in-chief

International Journal of Genetic Engineering and Biotechnology (IJGEB)
