### Call for Papers

Editor-in-Chief

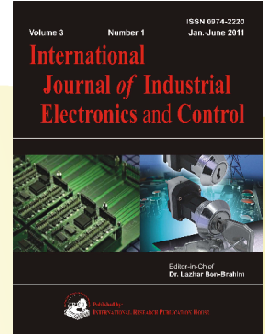

**Lazhar Ben-Brahim,**

Industrial Electronics Chair -RG-

Electrical Engineering Department

College of Engineering, Qatar University,

Doha, Qatar

### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Industrial Electronics and Control (IJIEC)**, The journal is a scholarly international journal that publishes original research papers in the fields of industrial applications of control, electronics, and instrumentation. All submissions should be made electronically to the Editor-in-chief through: (EIC: [irphramanand@gmail.com](mailto:irphramanand@gmail.com)/[irpeditor@gmail.com](mailto:irpeditor@gmail.com)). More information on the journal and the publishing process can be obtained at: [www.irphouse.com](http://www.irphouse.com)

The International Journal of Industrial Electronics and Control (IJIEC) is a scholarly international journal, Areas included are power electronics and drive control techniques, control systems and applications, motion control and robotics, instrumentation and measurement, modeling and simulation, sensors and actuators, fault detection and diagnosis, renewable energy, implementation of neural nets, fuzzy logic, and artificial intelligence in industrial systems, factory automation and more....

**Submission:** Authors are requested to submit their papers electronically to [irphramanand@gmail.com](mailto:irphramanand@gmail.com)/[irpeditor@gmail.com](mailto:irpeditor@gmail.com) with mention journal title (**IJIEC**) in subject line.

### Author benefits:

The benefits of publishing in **International Journal of Industrial Electronics and Control (IJIEC)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
