International Journal
of
Molecular Biology
and Biochemistry

Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Molecular Biology and Biochemistry (IJMBB)**, which aims to publish all the latest and outstanding research articles, reviews and letters in all areas of major importance to Techniques of molecular biology and biochemistry research. All submissions should be made electronically to the Editor-in-chief through: (EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

International Journal of Molecular Biology and Biochemistry (IJMBB) is an International Journal. The objectives of IJMBB are to establish an effective channel of communication between scientists (in academic and non-academic institutions), policy makers, and all concerned with the complex role and importance of Molecular Biological and Biochemical inquiries for the benefit of human and animal well-being. It also aims to promote developments in the area of scientific resources ranging from engineering of new tools and R&D funding to education.

Each issue contains a series of timely, in-depth written articles by leaders in the field, covering a wide range of the integration of multidimensional challenges of research including integration issues of the Molecular Immunology Research.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJMBB**) in subject line.

Author benefits: The benefits of publishing in **International Journal of Molecular Biology and Biochemistry (IJMBB)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

Binxing Li, Editor-in-chief

International Journal of Molecular Biology and Biochemistry
