Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Software Engineering (IJSE)**, which publishes in all areas of software engineering. All submissions should be made electronically to the Editor-in-chief through:(EIC: irphramanand@gmail.com/irpeditor@gmail.com). More information on the journal and the publishing process can be obtained at: www.irphouse.com

The International Journal of Software Engineering (IJSE) is an international research journal. In general, the systems to which the results apply should be sufficiently complex and long-lived to justify investment in languages, methods, and tools that support specification, design, implementation, validation, documentation, maintenance, reengineering, and other related activities. Published articles will address important research topics; results will be reproducible, extensible, scaleable, and have practical relevance.

Submission: Authors are requested to submit their papers electronically to irphramanand@gmail.com/irpeditor@gmail.com with mention journal title (**IJSE**) in subject line.

Author benefits:

The benefits of publishing in **International Journal of Software Engineering (IJSE)**, includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 5-7 working days)
- Excellent editorial standards
- **Completely Open Access.**
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

With kind regards,

D. M. Akbar Hussain, Editor-in-chief
